## Main strategic objective

Promoting sustainable urban transport planning

## Two parallel objectives

1. Create a professional “tool box” for the preparation of Sustainable Urban Transport Plans (SUTP) in European cities
2. Test the feasibility and efficiency of integrated and innovative approaches to preparing SUTPs in four cities :  
Braila (Romania), Evora (Portugal), Lancaster (UK), Tallinn (Estonia)

– March 2005 – September 2007

– Partnership

- Consultants and city networks : TTR, Sylwia Klatka, Rupprecht Consult, Vectris, Polis, Eurocities, Mobiel21.

- 4 PILOT cities :

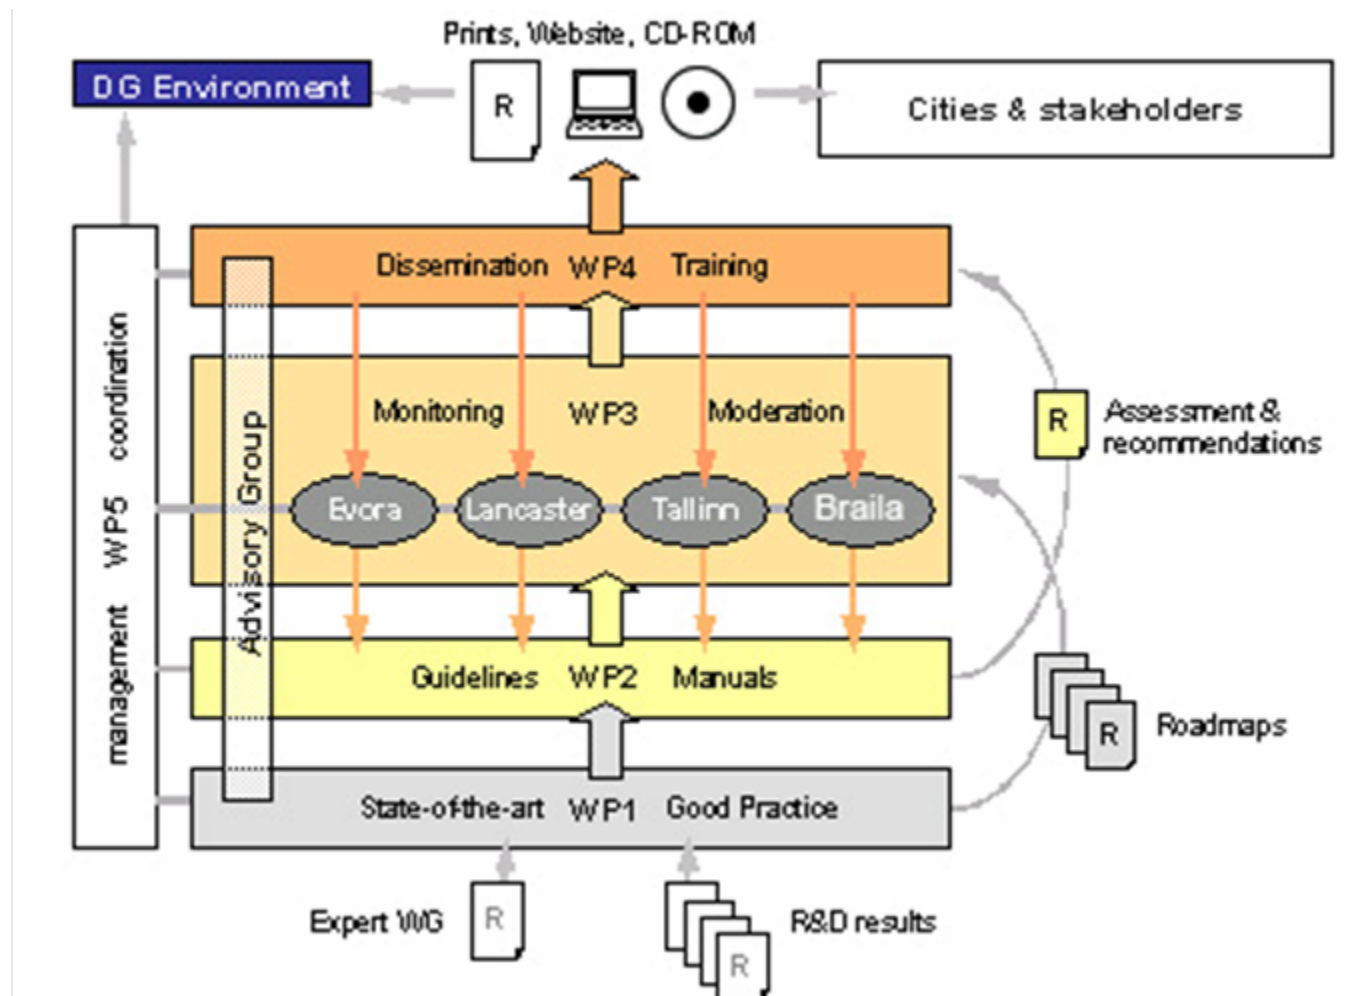

Tallinn

Lancaster

Evora

Braila

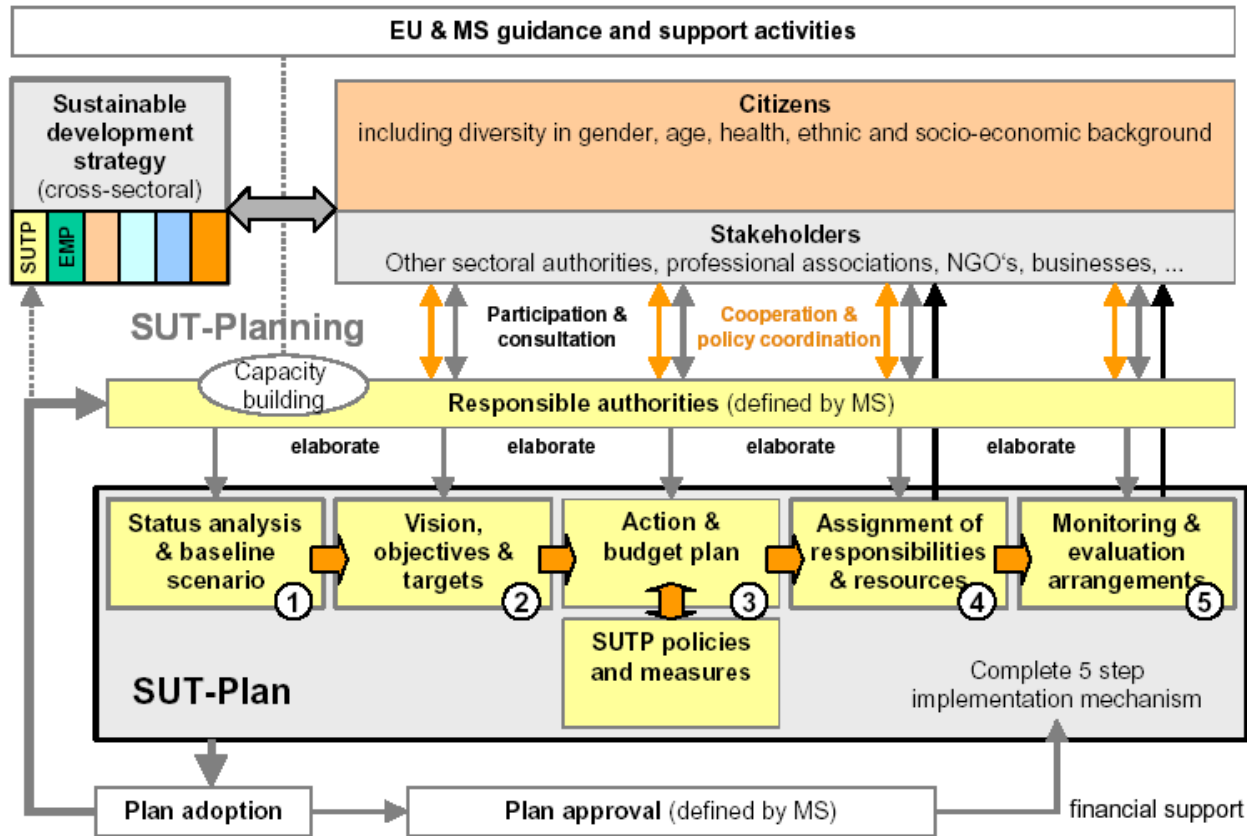

- experts: URTP, Bristol, Cologne, Genoa, Hampshire, Lille, the Hague, CERTU, Bologna, Federmobilità

- Comprehensive definition
- Manual for SUTP preparation finalized for the 4 Pilot cities – will be revised in 2007
- Policy brochures
- Trainings in the four Pilot cities in the next four months: emphasis on public participation methods and tools
- SUTP planning underway in the 4 Pilot cities
